Walking Groups

Probus Walking Group

(All walks start at 9:30am – rain, SNOW, or shine.)

Our Probus Walking Group is the longest running, consecutive weekly, Probus Men’s walking group in Canada!

All levels of walking ability are welcome. Walks are generally flat and rated ‘easy’. You can expect a variety of enjoyable walks once a week. Walks start at 9:30 am and typically last 45 to 75 minutes. All walks incorporate great comradery and always end with coffee... where we discuss and resolve many of the world’s most pressing problems.

Benefits of Walking – recent multi-year studies have shown that walking **contributes significantly to physical and mental well-being**. People who walk regularly often see noticeable improvement to arthritic and problematic knees and hips. In addition to the obvious fitness component, walkers are less prone to mental depression and have a more positive outlook on life and a feeling of well-being.

Monthly walking schedules are issued to “registered members” of the “Probus Walking Group” – please email Al Zemrau, Coordinator directly to have your name added to the distribution list.

Golf Group

Next event Sept. 22 at Nico Wynd

The Probus Club Golf Group is a group of members who have identified a desire to take part in some golf activity with other members during the summer months, or at least be made aware of the current and ongoing golfing activities, even though they may not actively participate on a regular basis. Being part of the Golf Group does not require any member to participate in any of the events. No costs are involved in being part of the Golf Group. Costs are incurred only when members participate in a specific event, i.e. green fees, cart fees, etc.

The normal golf day is the 4th Thursday of each month [identified on the Club Activities Calendar], with group members being advised of each event approx. 2-3 weeks in advance by the coordinator, with follow-up calls for involvement up to a few days before the event. The 'go-to' location has become Nico Wynd Golf Course in recent years, however for 2022 that has been altered somewhat due to major on-site re-construction of the clubhouse which has hampered the usual social gatherings following golf; as a result we have begun attending at other local course which offer 9 hole bookings.

Any Probus Club member wishing to take part in the Golf Group activities or at least being placed on the mailing list, should contact the coordinator, Frank Palmer [604-535-8300], email frank@fgpalmer.com. at any time.

In addition to the regular 9 hole golf activities, a new venture has been undertaken in the form of playing in local Par 3 courses with in addition to or in lieu of participation in the regular 9 hole events. This activity is currently being organized by Rob Leeson, with at least one event already concluded. Those with an interest should contact Rob Leeson, whose contact information may be found in the Probus Club Directory.

Anyone wishing to become part of this activity should contact the coordinator, Frank Palmer, at frank@fgpalmer.com

Dinner and Movie Group

Hi Guys and Gals

I will continue to do the movie blog to be sent with Probus meeting minutes or independently, as we do not have a meeting this week.

Stay tuned for next month

Pub Night

Our next Pub Night was scheduled for Sept. 15 starting as usual at 6:00 PM in the Patio Room at the Ocean Park Village Pub.

You may have noticed that recently we have NOT had this room to ourselves. That occurs when our numbers are low and can only be guaranteed if our booked numbers are above 20. The solution for us is for as many as possible to get out and support this event via your attendance.

Please let me know, as soon as you can, whether you will be attending OR will NOT be attending.

I look forward to hearing from you and seeing you at 'the Village Pub'.

We normally meet on the third Thursday of each month and our next meeting

Venue: Ocean Park Village Pub 16th Avenue and 128 Street. The patio(facing 16th Avenue) has been reserved for our exclusive use. Meet at 6:00pm please let me know if you are coming.

Ocean Park has now adopted a service charge of 18% for groups over 12. They do NOT expect us to tip.

And I was right.

**Two things to make

- Do not watch the news.
- Stay off the bathroom scales.
